

BECOME A PART OF OUR FAMILY

When you are ready to officially become a part of our Charity family, we ask you participate in a simple membership process. In the meantime, we welcome you to be our guest at church and join in any activities of interest to you or your family. When you are ready, please call us at 258-1228.

Interest

Are you interested in learning more about Charity and its work? Attend a new member meeting by calling the office, 258-1228, and letting us know your intentions.

Involvement

After that initial meeting, you will be asked to connect to Charity's family life in a tangible way. You could join a small group, volunteer to teach Sunday School, serve in the kitchen, take a class like ALPHA; anything that would include your family as part of the Charity family.

Membership

Lastly, you will be invited to a second new member luncheon where you will meet as a group with a pastor, who will discuss the vision of Charity and what it means to be a disciple as you grow in your faith at Charity.

Congratulations you are now a part of Charity Lutheran Church's family. We will introduce you and your family to the congregation at one of the regular services.

Welcome to Charity!
